Lamun Mock Cunnyingham & Davis, PC Partners with CaseMax Case Management System to Grow Default Servicing Practice Areas

[August 1, 2023 | Overland Park, KS] CaseMax today announced a partnership with Lamun Mock Cunnyingham & Davis, PC, one of the most experienced foreclosure law firms in the state of Oklahoma with a rich history of protecting creditor's rights since 1927. This strategic collaboration between CaseMax and Lamun Mock aims to optimize the firm's default servicing practice areas and streamline operations for increased efficiency and productivity.

"We are thrilled to partner with CaseMax to further strengthen our creditor's rights practice areas," said Kelly Parker, Partner at Lamun Mock Cunnyingham & Davis, PC. "CaseMax's innovative technology and user-friendly interface align perfectly with our commitment to providing exceptional legal services to our clients. With out of the box integrations and document generation features, CaseMax will enable us to streamline our processes and improve our overall efficiency in handling the intricacies of these proceedings."

By leveraging the power of CaseMax, Lamun Mock will be able to streamline its workflow, reduce administrative burdens, and enhance collaboration among team members. The software's robust reporting and analytics capabilities will also provide valuable insights into case progress and performance, allowing the firm to make data-driven decisions and continually improve its services.

"Our mission is to empower law firms with cutting-edge technology, enabling them to deliver superior client experiences," says Mike Zevitz, President of CaseMax, "and with CaseMax, Lamun Mock will have the tools they need to effectively manage their Casefiles, streamline their operations, and achieve even greater success."

The CaseMax system is a scalable platform designed to match the growth and expansion of any law firm. This partnership between CaseMax and Lamun Mock is a testament to the value that an all-inclusive turnkey case management system can offer. With countless direct integrations and over 40 third-party integrations, CaseMaxters save time and money while enhancing accuracy and overall user experience.
