Voyager Title Partners with CaseMax to Support Growth and Expansion

The flexibility of the case management platform allows Voyager Title to streamline its processes, enhance service delivery, and efficiently expand into new markets.

[November 13, 2024 | Overland Park, KS] – CaseMax is excited to announce a partnership with Voyager Title, a leading title service company, to enhance its service delivery as it expands into the states of Kansas (KS), Missouri (MO) and Virginia (VA). The announcement marks a significant growth milestone for both companies.

Voyager Title's decision to integrate CaseMax's sophisticated case management platform underscores the system's flexibility and adaptability beyond traditional law firm applications. This partnership demonstrates how CaseMax's intuitive, rule-based software can streamline product delivery and support the needs of highly regulated industries, such as the title service sector.

Key Highlights of the Partnership:

- **Expansion into New States:** Voyager Title is set to enter the Kansas, Missouri, and Virginia markets, leveraging CaseMax's cutting-edge technology to ensure seamless operations and superior service delivery.
- **Adaptable Technology:** The CaseMax platform, originally designed for law firms in the financial services industry, has proven its versatility. Its powerful yet user-friendly interface can be adapted for the title business, demonstrating CaseMax's capability to support various industry needs.
- **Plug-and-Play Integration:** Voyager Title chose CaseMax for its easy integration solutions, allowing the company to quickly implement the system in new states and optimize workflows without extensive customization.
- **Enhanced Efficiency and Productivity:** By adopting CaseMax, Voyager Title aims to improve its service offerings, ensuring greater efficiency and productivity, ultimately leading to a higher rate of return on investment.

"This partnership with CaseMax is a pivotal step for Voyager Title as we expand our operations into new states," said Ben Paden, Owner of Voyager Title. "We chose CaseMax because of its high level of integration and the flexibility of its platform, which will help us streamline our product delivery, allow for ease of data transmission to law firm users, and expand our services to clients in these new markets."

CaseMax's built-in flexibility allows it to be utilized in various applications outside of mortgage default and collections by law firms. The successful implementation of CaseMax by Voyager Title for title services opens the door for other industries to consider CaseMax as a viable solution for their case management needs.

"The successful adaptation of our platform for Voyager Title's services underscores the versatility and robust nature of CaseMax," said Mike Zevitz, President at CaseMax. "We are excited to see our technology supporting Voyager Title's growth and improving their service delivery as they enter new markets."
